

Financial Agreement

Thank you for choosing our office as your dental care provider. We are committed to providing you with the highest quality of dental care. Everyone benefits when office and financial policy arrangements are understood. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our Financial Policy Agreement which we require that you read and sign prior to any treatment.

Payment

Payment **in full** is due at the time of treatment. If insurance applies, payment of **estimated** patient portion and **deductible** is due at the time of treatment. We desire to make dental treatment affordable to all of our patients. Therefore, we offer the following payment options:

- 1) We accept the following forms of payment: Cash, Check, Visa, MasterCard, Discover and AmericanExpress.
- 2) Flexible payment plans of up to 6 months upon approval with Care Credit®. Approval must be received prior to treatment date.
 - Payment for services is due at the time services are rendered unless prior arrangements have been made with the doctor and the billing receptionist.
 - If dentures, partial dentures, crowns and/or bridges, retainers, mouthguards or nightguards are to be fabricated by a dental laboratory, a 50% deposit will be required at the time of the first impression. The remaining balance is due at the time the prosthesis is cemented or inserted.
 - The parent that accompanies the minor child/children to the appointment is responsible for any payment due. For unaccompanied minors, non-emergency treatment will be denied unless charges have been pre-authorized before the appointment date or previous arrangements have been made with the doctor and billing receptionist.
 - Checks that are returned to our office from your financial institution are subject to a \$30.00 returned check fee. This fee covers the processing fees that are charged to our office.

Insurance

As a courtesy to you we will gladly process your insurance claim forms. Our responsibility is to provide you with the treatment that best meets your needs, not to try to match your care to insurance plan limitations. Dental insurance plans do not correspond to individual patient needs, and as such, many routine and necessary dental services are not covered even though you may need those services.

We understand insurance guidelines can be difficult to understand and overwhelming at times. Fortunately, with the information provided to us by you and your insurance company we are able to provide some assistance in estimating your insurance benefit. However, your insurance company makes final determination once treatment is completed and the claim is submitted. Your insurance is a contract between you and your insurance company; therefore, all charges are your responsibility. All insurance co-pays and deductibles must be paid at the time of service. In the event we do accept assignment of benefits and your insurance company has not paid your account in full within 60 days, the balance may be transferred to your account.

Your complete insurance information must be presented at the time services are provided. Insurance claims cannot be backdated. Most benefits will be verified before your insurance company can be billed.

All insurance benefits are payable to the dental office, and you agree to release any information necessary for the dental office to process claims.

We would be happy to discuss our charges and how they relate to your particular situation. We also realize that temporary financial situations may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

You are financially responsible for all charges incurred, regardless of insurance coverage. By signing this Financial Agreement, you are aware past due accounts will be subject to a charge of 1 1/2% per month interest and you are responsible for all collection costs incurred by the dental office.

Appointments

Your reserved time in our office is important. We understand that sometimes it is necessary to change your appointment so we ask that you kindly give us a minimum of 48 hours notice. Without this notice, we are unable to offer treatment to other patients that may have needed our care. A cancellation fee of \$35 will be applied to your account if an appointment is broken or if we do not have 48 hours notice of cancellation. If 2 or more appointments are broken in a 12 month period without 48 hours notice, all future appointments will be cancelled and patients will be placed on a cancellation list for their next visit.

Thank you for understanding our Financial Agreement. Please let us know if you have any questions or concerns.

I have read the Financial Agreement for Keenan W. Smith, DMD PA. I understand and agree to this Financial Agreement.
